# CONTENTS TO VOLUME XXXI (1984)

## Number 1 — January/February 1984

*Brief Review*

Occlusal Therapy in the Management of Chronic Orofacial Pain
by Francis M. Bush, D.M.D., Ph.D. ..... 10

*Scientific Articles*

Effect of Age on the Digit Blood Flow Response to Sedative Concentrations of Nitrous Oxide
by Gerald I. Roth, D.D.S., Ph.D., James L. Matheny, Ph.D., Donald A. Falace, D.M.D., James E. O'Reilly, Ph.D. and James C. Norton, Ph.D. ..... 17
Effect of Supplemental Oxygen on the $PtcO_2$ of Patients Undergoing Surgical Removal of Third Molars
by Richard A. Kraut, D.D.S. ..... 23

*Clinical Techniques*

The Use of Verbal Relaxation Therapy for Sedation During Dental Therapy
by Robert A. Atterbury, B.S., D.D.S. ..... 27

*Departments*

The President's Corner ..... 5
Report from the Executive Director ..... 6
Correspondence
Response to "20/20" Program
I. Russell Weinstein, D.D.S. ..... 7
Bruce L. Douglas, D.D.S. ..... 8
Continuing Education in Pain Control
Summary of 1982 Scientific Literature ..... 31
ADSA News
ASA Statement on Training of Dentists and Oral Surgeons ..... 40
Medical Legal Update ..... 41
Continuing Education Calendar
American Dental Society of Anesthesiology ..... 42
Pennsylvania Dental Society of Anesthesiology ..... 45
Book Review: An Integrated Approach to Monitoring ..... 45
Instructions to Authors ..... 46

## Number 2 — March/April 1984

*Brief Review*

Nitrous Oxide and Oral Premedication
by Joseph A. Giovannitti, D.M.D. ..... 56

*Scientific Articles*

The Effect of Nitrous Oxide and Age on Psychological and Psychomotor Performance
by James C. Norton, Ph.D., Gerald I. Roth, D.D.S., Ph.D., James L. Matheny, Ph.D., Donald A. Falace, D.M.D., James E. O'Reilly, Ph.D. ..... 64
Analgesic Action of Intravenous Diazepam
by Eliezer Kaufman, D.M.D., Samuel F. Dworkin, D.D.S., Ph.D., Linda Le Resche, Sc.D., Andrew Chen, Ph.D., Mark M. Schubert, D.D.S., M.S.D., Constanino Benedetti, M.D. ..... 70
The Prophylactic Use of Flurbiprofen to Prevent Post-Extraction Dental Pain
by James Giglio, D.D.S., Robert L. Campbell, D.D.S. ..... 74
Comparison of Conorphone, A Mixed Agonist-Antagonist Analgesic, to Codeine for Postoperative Dental Pain
by Raymond A. Dionne, D.D.S., Ph.D., Peggy R. Wirdzek, R.N., Donald P. Butler, D.D.S., Philip C. Fox, D.D.S. ..... 77
Anti-Nociceptive Effect of Tricylic Anti-Depressants Following Intrathecal Administration
by Lois J. Kehl, George L. Wilcox, Ph.D. ..... 82

*Case Report*

Conscious Sedation Administered Daily for 25 Days to a 3-Year-Old Child
by Sylvan M. Shane, D.D.S. ..... 85

*Clinical Techniques*

The Missed Inferior Alveolar Block: A New Look at an Old Problem
by Maano Milles, D.D.S. ..... 87

*Departments*

The President's Corner ..... 53
Report from the Executive Director ..... 54
Correspondence
Sedation versus General Anesthesia
Harold L. Hamburg, D.D.S., M.S. ..... 55
Use of F.A.D.S.A. Credential
Harris Friedman, D.D.S. ..... 55
Continuing Education in Pain Control
Summary of 1983 Scientific Literature (January thru June) ..... 91
Books and Monographs, 1972-1982 ..... 95
Scientific Abstracts ..... 99
Medical Legal Update ..... 103
Continuing Education Calendar
Colorado Dental Society of Anesthesiology ..... 104
Baylor University ..... 104
Current Therapy: NIH Consensus Statement—Analgesic-Associated Kidney Disease ..... 105
Instructions to Authors ..... 107

## Number 3 — May/June 1984

*Brief Review*

General Anesthetics: A Comparative Review of Pharmacodynamics
by Stephen B. Milam, D.D.S. ..... 116

*Scientific Articles*

Plasma Beta-Endorphin Levels in Oral Surgery Patients Following Diazepam, Fentanyl or Placebo
by Kenneth M. Hargreaves, D.D.S. ..... 124
Frequency of Hematoma Formation Subsequent to Injection of Dental Local Anesthetics in Children
by Curtis G. Kuster, D.D.S., M.S., Richard D. Udin, D.D.S. ..... 130
Time Course of Recovery Following Nitrous Oxide/Oxygen Administration
by Larry D. Herwig, D.D.S., Stephen B. Milam, D.D.S. and Daniel L. Jones, Ph.D. ..... 133

*Case Reports*

Enflurane-Induced Grand Mal Seizures During Otic Microsurgery
by Andre M. DeWolf, M.D., Juei-Ling Chang, M.D., Christopher E. Larson, D.M.D., Ralph J. Caparosa, M.D. ..... 136

*Clinical Techniques*

Anesthetic Management of Lithium-Treated Patients
by Cataldo W. Leone, D.M.D. ..... 138

*Commentary*

The *Guidelines for Teaching the Comprehensive Control of Pain and Anxiety in Dentistry* and the Problems Confronting the Dental Profession
by Milton Jaffe, D.D.S., M.A. ..... 141

*Departments*

Report from the Executive Director ..... 113
Correspondence
Response to "20/20" Program
Frank M. McCarthy, M.D., D.D.S. ..... 114
Stephen Fein, D.D.S. ..... 115
Continuing Education in Pain Control
Summary of Scientific Literature (July, 1983 thru December, 1983)
George L. McAlister, M.S.L.S., Carol L. Richardson, M.A., M.S.L.S. ..... 144
Medical Legal Update ..... 150
Continuing Education Calendar
NIH Consensus Development Conference: Anesthesia and Sedation in the Dental Office .. 135
International Dental Congress on Modern Pain Control ..... 151
Baylor University ..... 151

## Number 4 — July/August 1984

*Scientific Articles*

Comparison of Etidocaine and Lidocaine as Local Anesthetic Agents During Oral Surgery
by Wilbur McL. Davis, Jr., D.D.S., M.S.D., Joseph Oakley, D.M.D. and Eric Smith, Ph.D. .... 159
Stress Reduction Prior to Oral Surgery
by Stephen Johnson, D.D.S., Kathleen Chapman, M.A. and Gene Huebner, D.D.S. ..... 165

*Case Reports*

Malignant Hyperthermia During Oral Surgery
by Lawrence E. Scheitler, D.D.S., M.A., Laurie Getzendanner, C.R.N.A., Gerald S. Gussack, M.D., Betsy H. O'Neill, C.R.N.A. and Kathleen MacEachen Siemer, R.N. ..... 170
Acute Dystonic Reactions to Neuroleptic Drugs
Robert L. Cooper, D.D.S., Stephen B. Milam, D.D.S. and Lloyd K. Croft, D.D.S. ..... 175

*Departments*

The President's Corner ..... 156
Report from the Executive Director ..... 158
Correspondence
Light Sedation versus Deep Sedation Techniques
David Anderson, D.D.S., Bernard C. Byrd, D.D.S., M.S., Lawrence D. Day, D.D.S., M.S. and Russell Seheult, D.D.S. ..... 157
Continuing Education in Pain Control
Scientific Abstracts ..... 180
Medical Legal Update ..... 183
Continuing Education Calendar
Baylor University ..... 164
University of Pittsburgh ..... 177
NIH Consensus Development Conference: Anesthesia and Sedation in the Dental Office .. 186
International Dental Congress on Modern Pain Control ..... 186
ADSA News
1984 Annual Meeting ..... 184
Instructions to Authors ..... 187

## Number 5 — September/October 1984

*Brief Reviews*

Therapeutic Assessment of Chloral Hydrate Premedication for Pediatric Dentistry
by Paul A. Moore, D.M.D., Ph.D. ..... 191
Radiographic Techniques Used to Evaluate the Temporomandibular Joint: I. Conventional Methods
by David Roberts, Ph.D., James Pettigrew, D.M.D., Carol Ram, B.S.N. and Peter Joseph, Ph.D. 197

*Scientific Articles*

Hemodynamic Changes in Dogs During Isoflurane Anesthesia
by Jaime S. Brahim, D.D.S., M.S. and Paul Thut, Ph.D. ..... 207

*Case Reports*

A Major Psychotomimetic Complication of Multidrug Intravenous Sedation
by J. Theodore Jastak, D.D.S., Ph.D. and F. James Marshall, D.M.D., M.S. ..... 213

*Commentary*

Anesthesiology in Dentistry: A Personal View
by Milton Jaffe, D.D.S., M.A. ..... 219

*Departments*

The President's Corner ..... 189
Report from the Executive Director ..... 190
Continuing Education in Pain Control
Scientific Abstracts: Newer Aspects of the Pharmacology and Physiology of Intravenous Sedation ..... 227
Continuing Education Calendar
NIH Consensus Confrence: Anesthesia and Sedation in the Dental Office ..... Cvr 3
International Dental Congress on Modern Pain Control ..... Cvr 3
ADSA News ..... 232
Instructions to Authors ..... 233

## Number 6 — November/December 1984

*Brief Review*

Radiographic Techniques Used to Evaluate the Temporomandibular Joint. II. Computed Tomography, Three-Dimensional Imaging and Nuclear Magnetic Resonance
by David Roberts, Ph.D., James Pettigrew, D.M.D., Carol Ram, B.S.N. and Peter Joseph, Ph.D. ..... 241

*Case Report*

Masseter Contracture and Tachycardia Causing Termination of Anesthesia
by Brenton W. Burger, D.D.S., M.S., Evamarie Malsch, M.D. and Bernard W. Mayer, M.D. .... 257

*Commentary*

What is General Anesthesia?
by James Snyder, D.D.S. ..... 263

*Departments*

Report from the Executive Director ..... 237
Correspondence
Time Course of Recovery Following Nitrous Oxide Administration
J. Theodore Jastak, D.D.S., Ph.D. ..... 238
Professional Liability Insurance for IV Sedation
Alan Stoler, D.D.S. ..... 239
General Anesthesia versus IV Sedation
Allan Blair, D.D.S., M.Sc. ..... 239
Continuing Education in Pain Control
Scientific Abstracts: Anesthetic Management of the Pediatric Dental Patient ..... 266
Scientific Literature: January thru June, 1984 ..... 269
Continuing Education Calendar
Obstetric Anesthesia Conference ..... 240
Neonatal and Infant Respiratory Symposium ..... 240
ADSA News
Program for 1985 Annual Meeting ..... 275
Dr. Daniel Laskin Honored by Gies Foundation ..... 274
ADSA-Sponsored Residency Program Accepting Applications ..... 274
Instructions to Authors ..... 281
Index to Volume XXXI ..... 277
